Kenknight, Jeff 12:41 PM:

Just checking next steps on LUB. Seems like we need a quick 30-minute session with me, you, Peter and Lucy (?) later this week to finish the conversation about the focus of the letter and next steps. We then need to brief Lauris/Dan on the letter, What are the RA/DRA? It seems like calendars are going to be the thing that slows us down. Thoughts?

Martinson, Mathew 1:07 PM:

I'm 100% tracking with you. I'm happy to move some things around to create open slots.

Kenknight, Jeff 1:09 PM:

ok. let me see what I can arrange this week

Martinson, Mathew 1:15 PM:

I can open up all of tomorrow morning through 1pm. (NCI Steering committee is at noon-1, but LUB GWMA is more important.
